

TECHNITRACE INC.

TFP-ES- END SEAL KIT

for Freeze Protection and Lower Temperature Maintenance

Kit Contents:

- 5 - 1/2 x 1 1/2 black heat shrink tubes
- 5 - 3/4 x 4 black heat shrink tubes

Description

The TFP-ES end seal is designed for heat trace on pipe and tanks in ordinary areas and for use on roof and gutter applications, when used with Technitrace heaters approved for those locations. Use with Technitrace FP Series heaters.
